

2015 Yonex Canada Open Coaches Summit

Kelly Ann Erdman

With 28 years of experience as a Performance Dietitian, Kelly Anne Erdman is the Lead Consulting Dietitian with the Canadian Sport Institute Calgary (since founded in 1994). She's a Lecturer for the National Coaching Institute Calgary, a Consultant to the Calgary Flames Hockey Team, and was the Canadian Olympic Committee's Performance Dietitian for Team Canada at the 2011 Pan American Games, 2012 London Summer Olympics and 2014 Sochi Winter Olympics.

She is currently working with the following Canadian national teams: men's and women's hockey, long track and short track speed skating, luge, cross country skiing & biathlon and several individual Paralympic athletes from cycling and sledge hockey. Her career highlights include nutrition support for the Canadian Women's Hockey Team during their run to win four Olympic gold medals (2002, 2006, 2010 & 2014). Kelly Anne is also an Olympian in cycling from the 1992 Barcelona Games.
